

**871—24.16 (96) Vacation pay.**

**24.16(1)** If the employer properly notifies the department within ten days after the notification of the filing of the claim that an amount of vacation pay, either paid or owed, is to be applied to a specific vacation period, a sum equal to the wages of the individual for a normal workday shall be applied to the first and each subsequent workday of the designated vacation period until the amount of the vacation pay is exhausted. For the purposes of this rule, rule 871—24.13(96), and rule 871—24.17(96), the term “vacation pay” shall include paid time off and annual leave payments.

**24.16(2)** If the employer makes the original designation of the vacation period in a timely manner, the employer may extend the vacation period by designating the period of the extension in writing to the department before the period of extension begins.

**24.16(3)** If the employer fails to properly notify the department within ten days after the notification of the filing of the claim that an amount of vacation pay, either paid or owed, is to be applied to a specific vacation period, the entire amount of the vacation pay shall be applied to the one-week period starting on the first workday following the last day worked as defined in subrule 24.16(4). However, if the individual does not claim benefits after layoff during the normal employer workweek immediately following the last day worked, then the entire amount of the vacation pay shall not be deducted from any week of benefits.

**24.16(4)** Unless otherwise specified by the employer, the amount of the vacation pay shall be converted by the department to eight hours for a normal workday and five workdays for a normal workweek.

This rule is intended to implement Iowa Code section 96.5(7).
